## EDUCATION

<b>Nanjing University</b> <i>Master of Computer Science and Technology</i>	2022.09 - 2025.06
• GPA: 86 / 100 • Advisor: Prof. Xinyu Dai & Prof. Zhen Wu	

<b>Xidian University</b> <i>Bachelor of Computer Science and Technology</i>	2018.09 - 2022.06
• GPA: 3.8 / 4.0, Rank: 2 / 119	

## EXPERIENCE

<b>University of California, San Diego</b> <i>Research Intern at CSE Department</i>	2023.09 - Present
• Advisor: Prof. Lianhui Qin • Worked on LLM Jailbreaking and LLM multi-step reasoning.	
<b>University of Illinois Urbana-Champaign</b> <i>Research Intern at ECE Department</i>	2023.12 - 2024.02
• Advisor: Prof. Bin Hu • Worked on LLM Jailbreaking.	
<b>Xidian University</b> <i>Research Intern at School of Electronic Engineering</i>	2020.09 - 2022.06
• Advisor: Prof. Bo Chen • Worked on probabilistic modeling.	
<b>Xidian University</b> <i>Research Intern at School of Artificial Intelligence</i>	2021.01 - 2021.04
• Advisor: Prof. Fanhua Shang • Worked on spatio-temporal video super-resolution.

## TECHNICAL SKILLS

---

**Programming Skills:** C, Python, Pytorch, Pytorch Geometric

**Language:** TOEFL: 97 (R: 27, L: 27, S: 22, W: 21)

## PROFESSIONAL SERVICES

---

**Teaching Assistant:** Introduction to AI programming, Nanjing University Spring, 2023

**Conference Reviewer:** EMNLP 2024, ICLR 2025, ARR

## AWARDS AND HONORS

---

Xiaomi Scholarship, 2024

First Prize of Excellent Student Scholarship of XDU, 2020

Second Prize of Excellent Student Scholarship of XDU, 2019

Second prize in the National Mathematics Competition for College Students, 2019, 2020

First prize in the Shaanxi Advanced Mathematics Competition, 2019.
